The map illustrates the layout of the Sierck les Bains Communal Cemetery. It is divided into three main sections, each identified by a red circle with a number: 1, 2, and 3. Section 1 is on the left, Section 2 is in the center, and Section 3 is on the right. The cemetery is bounded by a red line. A main road runs along the top and right sides, with a car icon at the top right. A dashed line indicates the 'Entrée Vieux cimetière' (Old Cemetery Entrance) and a solid line indicates the 'Entrée Extension'. A 'Panneau d'affichage' (Display Board) is located near the top entrance. The cemetery is divided into several alleys: 'Allée Principale' (Main Alley) runs vertically through the center, and 'Allée' runs horizontally at the top and bottom. Numerous plots are numbered, with some plots highlighted in red hatching. The plots are arranged in rows and columns, with some plots having multiple numbers. The map also shows a 'Columbarium' (crematorium) area on the left side, with two 'DETAIL COLUMBARIUM' insets showing the layout of the columbarium. The map includes a north arrow and a scale bar.
