This is a detailed plan of the Clusais La Pommèraie communal cemetery. The map shows a large area filled with numerous small, rectangular plots, each numbered sequentially from 001 to 499. The plots are arranged in a grid-like fashion, with some sections separated by dashed lines. A prominent red line runs diagonally across the left side of the map, likely representing a boundary or a main path. A blue line, possibly a stream or a secondary path, winds through the center of the cemetery. Several specific areas are highlighted with red circles and letters: 'A' is located in the upper central part, 'B' is in the lower left, 'C' is in the lower right, 'D' is near the bottom center, 'E' is in the lower right, and 'F' is in the bottom right corner. In the bottom right corner, there is a section labeled 'Cimetière 3 columbariums' with 'col-1' and 'col-2' markers. The map also includes a legend in the top left corner, a scale of 1/150, and a date of 09/03/2025. The overall layout is organized and systematic, typical of a municipal cemetery plan.
